Detailed information on the assignment of performance levels can be found in the '2017 PBMAS Manual' at <http://tea.texas.gov/pbm/PBMASManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. Required Improvement for the STAAR® performance indicators measures improvements in districts' rates regardless of changes to students' individual passing standards. An asterisk (\*) is used to mask data in order to protect student confidentiality.

Detailed information on the assignment of performance levels can be found in the '2017 PBMAS Manual' at <http://tea.texas.gov/pbm/PBMASManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. Required Improvement for the STAAR® performance indicators measures improvements in districts' rates regardless of changes to students' individual passing standards. An asterisk (\*) is used to mask data in order to protect student confidentiality.

Detailed information on the assignment of performance levels can be found in the '2017 PBMA Manual' at <http://tea.texas.gov/pbm/PBMAManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. Required Improvement for the STAAR® performance indicators measures improvements in districts' rates regardless of changes to students' individual passing standards. An asterisk (\*) is used to mask data in order to protect student confidentiality.

Detailed information on the assignment of performance levels can be found in the '2017 PBMAS Manual' at <http://tea.texas.gov/pbm/PBMASManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. Required Improvement for the STAAR® performance indicators measures improvements in districts' rates regardless of changes to students' individual passing standards. For SPED Indicators #7, #8, and #11, data pertaining to significant disproportionality (SD) are provided only for districts that exceed the established SD threshold. An asterisk (\*) is used to mask data in order to protect student confidentiality.

Detailed information on the assignment of performance levels can be found in the '2017 PBMAS Manual' at <http://tea.texas.gov/pbm/PBMASManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. For SPED Indicators #7, #8, and #11, data pertaining to significant disproportionality (SD) are provided only for districts that exceed the established SD threshold. An asterisk (\*) is used to mask data in order to protect student confidentiality.
