

# 2018

Operation Lone Star **2018** is coming to south Texas. It's an emergency preparedness exercise to help us get ready for disasters.

We bring **FREE** medical services to communities with help from hundreds of local service groups and volunteers.

Some of the services provided are:

- Immunizations for children
- Diabetic screening
- Blood pressure screening
- Hearing and vision screenings
- Sports physicals
- In Brownsville and San Juan: Dental services and vision exams for prescription glasses for adults and children.
- In Rio Grande City: **Preventive** dental services for school-age children and younger.

For more information, contact your county health department or dial **2-1-1**.

Dates, times and locations:

Monday, July 23 – Thursday, July 26, **8:00 – 4:00**

Friday, July 27, **8:00 – 2:00**
